#### The Final Endtime Test: Balaam-type assimilation with Anti-messiah Kingdom

There was a Final Test for "Israel from Sinai" before they left the "Wilderness" of the Plains of Moab... and ... so is there for **us in Messiah YaHuHa**, before we leave the "Wilderness" of the Peoples, where YHWH pleads with us where we have been exiled.

It is about Assimilation ..... leading to compromise ..... leading to a "Mixture" ... The Tactics of Our Enemy.

#### Story of Balaam from Torah

Balak (meaning "destroyer/waster of the people") requested Balaam to curse Israel in the "Camp".... but YHWH would not allow it.

After 40 years in the Wilderness, Israel was encamped on the plains of Moab, blissfully unaware of what was going on up on the "High places" above them.

They were about to go into the promised Land, but the Enemy had one final Test or Trap in store for them. The final council of Balaam was to get "Israel" to assimilate with those around them.

Moab consisted of the descendants of Lot, and as family, Israel was forbidden from killing them (Deut. 2:9).

Balak the King of Moab however, was fearful that Israel would destroy his Kingdom, he conspired with the Midianites, and hired Balaam to curse Israel.

Finally, Balaam counseled Balak to entice the Israelite sons and daughters to mix with the sons and daughters of Moab. This way, Balaam did not have to speak the curse that Balak requested, but he ensured that Israel would place themselves under a curse (Deut. 7).

Israel fell for the bait.

We see in Numbers 25 that Israel played the harlot with the daughters of Moab.

No reference is made whatsoever to Balaam in Numbers 25, but Numbers 31:16 informs us that this "sin/transgression of Torah" at Peor was due to the counsel of Balaam.

Balaam could not Curse "Israel", but ultimately advised that in order for "Israel" to fall they would have to be enticed to "Socialise" with people outside the Camp of the Redeemed, get them to join them in their form of "Worship", eat, drink and have Fun together ... that was Spiritual Apostasy.

This "assimilation" with those outside of "Israel", cost the Physical lives of twenty-four thousand participants of this "Mixture" they practiced.

### **Some Quotes from Revelation which are there to alert us to this problem as it applies to us**

#### **ASSOCIATION of NICOLAITANES WITH BALAAM**

Rev. 2:14 - 15 "But I have a few things against you, that you have there those holding the teachings of **Balaam, who taught Balak** to throw a stumbling-block before the sons of Israel, to eat idol sacrifices, and to commit fornication.

So you also have those holding the **teaching of the Nicolaitans**, which thing I hate."

(Both of which have come into our Assemblies as they have begun to grow.)

Rev. 2:6 "But you have this, that you hate the **works of the Nicolaitans**, which I also hate."

Rev. 2:15 "So you also have those holding the **teaching of the Nicolaitans**, which thing I hate."

From these two references, we know that YaHusha hated the "deeds" and the "doctrines" (teachings) of the Nicolaitanes.

The word Nicolaitane comes from two Greek words: *nike* and *laos*.

*Nike* means "to conquer," "subdue," "overcome," and *laos* refers to a body of people, the common people.

*Nikos* is the equivalent to *nike* and has been translated "victory." When combined, these two terms translate to mean "**Conqueror [or subduer] of the common people.**"

Balaam's name is the combination of two words from the Hebrew: *beli* and *ha'am*.

*Beli* means "conqueror" and, *ha'am* means "the people." Put them together and we get "**Conqueror of the people.**"

**Balaam's name**, therefore, translates **the same as Nicolaitan .... They will cause "Israel" to fall away.**

It is the **Way of Nimrod** (Gen. 10, 1 Chron. 1:10) ... to be "successful" in Strength and Authority.

#### Application of this Torah to-day

The Doctrine of Balaam (from the "Tares" among us), causes The Israel of Elohim of to-day to commit spiritual fornication by joining them to become a polluted Religious "Mixture" which inhibits Spiritual Bonding and Unity. Ez. 34 and John 10 explain.

The desire to "control" and manipulate people's Mind's is a characteristic of the Nicolaitan spirit.

Some subtly bring in "heresies" (Gal. 5:20, 1 Cor. 11:17 - 19) while others prey on people directly through the concept of "Leader/Servant Leader" control.

Moses the "servant" was confronted by 250 "leaders" of the community together with their "Groupie followers" that wanted a greater role in running the show. Read the story and Apply the Torah and see YHWH's response (Num. Chapters 16 - 17).

Another Torah Principle here to be aware of and to Apply, is when "Man" calls a meeting (even in YHWH's Name) ....

Num. 16:19 "And Korah assembled all the congregation against them ...."

Be very wary, consider also all the "chatter/discussion/murmuring" that led up to this debacle.

People winge and whine ... and then "Leaders" rise up.

This manifests as a Jezebel spirit that entices and coerces people to follow them through a "bully" mentality or the Delilah spirit that infiltrates and subtly influences people leading to division and separation with the Ataliah spirit completing the Enemy's familial counterfeit 3-fold cord (from Ecc. 4:12) bringing Spiritual Death to the assembly.

We have observed this common tactic of the Enemy with very little discernment or Unity in the Ruach to avoid the destruction.

They focus on our inbuilt need for "community" and "fellowship" and then place themselves in positions of Power and control to influence people, operating through the "mind of the Flesh", applying "worldly techniques", to gain group consensus of their own understanding with techniques like: *"You will also find links to similar websites"*. The consequence will then repetitively misleading teachings.

This is a common and accepted Model to "run" a Fellowship or Assembly to-day (with these "Leaders" networking and communicating among themselves away from the people).

Nicolaitans are those who seek to elevate themselves above the so-called laity/people and call themselves "Leaders" to create an idea of Superiority and assumed Authority, whereas the Body is supposed to operate as a flat structure where each "Gift" can blossom, manifest, be acknowledged and accepted to bring order and direction in the Assembly.

The term Shoftim (translated as Elder, Shepherd, and Overseer) refer to the same person. Elder has to do with *who* they are. Shepherd has to do with *what* they do. Overseer has to do with *how* they do what they do.

Shoftim/Elders, Oversee and Shepherd the flock of Elohim among whom the Ruach HaKhodesh has made them Overseers. Great Wisdom and sensitivity is needed in discerning the subtle Agenda of the "Tares" among us that influence the "Wheat" and bring dissention and division to the Body in our assemblies.

"...you the spiritual ones, set such a one straight ..." (Gal. 6:1).

The issue for us is to discern those with true "Gifts" versus those Carnal people using "techniques" learnt out in the World.

The "spirit" of Balaam still wants to assimilate us into a Religious "mixture" by incorporating "Popular" People and Doctrines from the Religious Teachings learned from both sides of the Religious Spectrum from Judaism/Talmudism and Christianity that stand outside of "Scriptural Israel" and the "Full council of Scripture".

The Internet, Dvd's etc. have become our information center .... and unfortunately also our "Teacher", instead of the Ruach HaKhodesh.

There is much more to this Nicolaitan problem of control and intimidation affecting the body, such as:

- Developing a spiritually stifling structure
- Rejecting or suppressing the "Gifts" of others given to the Assembly
- Control ... resulting in Nimrodic dependence on others (relying on others to think or decide for you)
- Financial obligations [*Tithing was for the "Torah of Moses" Levitical System (Deut. 14:22 – 29) ... and to have a feast (party) where YHWH places his NAME. It is not to support Religious Organisations. To-day under the Melchisidek Priesthood in Messiah YaHsha, it is about "freewill giving and receiving".]*]

These "deceiving spirits" and "doctrine's of Devil's" come from Spiritual "High Places" --- Principalities and Powers operating through "Man".

" ..... From such turn away" .... (2 Tim. 3:5).

The Bondage of "**Religion**" (which most do not perceive) is **our curse** from the Enemy.

That is why people want to identify with Individuals and Groups and form their own Religious Belief System with outward Appearances to identify their allegiance. They espouse Ideas or Theologies which do not stand against the light of Scripture but conform to the Group they want to be identified with.

They then do not want to hear Truth because it will separate them from their pet belief system and so silently and stubbornly they continue on their own way and their "Group think" mentality re-inforces and confirms for them their view as they continue on their chosen Way, justifying their "view" with their "Mind of the Flesh" which seems so rationally logical -- but the Truth for them is not Spiritually discerned .

The Enemy already has the people in the World, he has the People in the New Age, he has the people in his man-made Religious Systems ... and so he merely creates another "Flavour" that people will think is Truth, as in our case, little bits from the Religious Systems that we came out

of ... without ever comparing or confirming with Scripture ... and so he captivates people in their own little chosen Religious club "flavour".

People merely exchange the Religious system that they came out of and replace it with another one made up to their liking.

YHWH will not allow a curse to be placed on his people that are in the "camp", it is on those that move away from safety to "see" and assimilate with the Religious Systems around them.

Dinah (Gen. 34:1) and Balak/Bila'am are our final test.

Get them to go "see" .... and assimilate .... is the Enemy's goal in our lives.

Every day there are more and more Individuals and Groups out there asking you to "join" them to network you into their "franchises" and Religious "Brand/Flavour", to add your names to their mailing lists in order to influence your Mind and promote their Ideas and products to sell to you.

### Religious Icon's

The focus on the desire for a physical Aid to Worship and to enhance the Spiritual Relationship is nothing New, it is an old view from Man.

Things made into an Image by Religious people of the past, together with the justification for their use now, have no place for those in Messiah YaHUsha.

Some quote: "work out your own salvation ... ", and then become disciples of other men.

There is a subtle distinction ... Make the Ruach HaKhodesh your Teacher and if we study YHWH's WORD, it will become a Lamp unto our feet to light our path (Ps. 119:105).

We are presently in the Wilderness, on the plains of Moab, receiving our instructions for life. Moses brought us out of Egypt and some of us have spent 40 years getting Mitzraim out of us and now this final test to go "see" and assimilate is upon us.

There is only one safe place, namely: In the Camp of the Redeemed.

The "Torah of Moses" and Tanach are the examples; First the "Physical" for us to learn and Apply, then the "Spiritual" as we get ready to cross the Jordan with Messiah YaHUsha.

May our "Mind of the Ruach" listen to the Ruach HaKhodesh as we are led (Rom. 8).

Heb. 3:1 – 6 “Therefore, set-apart brothers, partakers of the heavenly calling, closely consider the Emissary and High Priest of our confession, Messiah יהושע, who was trustworthy to Him who appointed Him, as also Mosheh in all His house.

For this One has been deemed worthy of more esteem than Mosheh, as much as He who built the house enjoys more respect than the house.

For every house is built by someone, but He who built all is Elohim.

And Mosheh indeed was trustworthy in all His house as a servant, for a witness of what would be spoken later,

but Messiah as a Son over His own house, whose house we are if we hold fast the confidence and the rejoicing of the expectation firm to the end.”
