How Religious Mixtures Affect the Narrow Way

Deut. 22:11 "Do not put on a garment of different kinds, of wool and linen together."

To understand the application of this Torah, we need to start with this Torah and even go as far as Revelation --- something the people who follow Moses (without the MelekTzadek Scriptures) do not have. And even if they do reference it (like the Anti-missionary twisters of Scripture), their denial of Messiah prevents them from applying it to Torah.

The understanding and application lies in observing the instructions for the Priesthood.

In what we have been given, it starts with YaHUseph/Joseph who was set apart by YHWH with the Priesthood role and when he starts to serve in his "Ministry" of "saving the Physical World of his day with Physical Bread" (as the Type of Messiah YaHUsa the "Bread of Heaven" who would ultimatley save fallen Creation Spiritually) and he is clothed in "Fine Linen" in Gen. 41:42.

The Tabernacle was to be made with "Fine Linen".

The High Priest of the Levitical Order was to have "Fine Linen" in his High Priestly Garments and He and the Serving Priests had Robes of "Fine Linen".

The High Priest and the Priests had to wear "Linen Breeches" when they entered the Tabernacle to Serve.

Lev 16:4 "He (*High Priest*) shall put on the holy linen coat, and he shall have the linen breeches upon his flesh, and shall be girded with a linen girdle, and with the linen mitre shall he be attired: these are holy garments; therefore shall he wash his flesh in water, and so put them on." (*when he goes to Serve in the Tabernacle*)

Lev 16:32 "And the priest whom He shall anoint, and whose hand He shall consecrate to act as priest instead of his father, shall make atonement, and shall put on the linen garments, the holy garments."

(The Linen Garments were Set-apart Garments for service in the Tabernacle.)

Ezek. 44:17 "And it shall be, when they enter the gates of the inner courtyard, that they put on linen garments, and no wool shall come upon them while they attend within the gates of the inner courtyard or within the house." (*only linen .. no wool*)

Heavenly messengers are clothed with ""Fine Linen" and "Fine Linen" is the righteousness of the "saints".

Rev. 19:7 "Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready!"

Rev. 19:8 "And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of holy ones."

And again at the end of the age the Rider on the White Horse is followed by the "armies" of Heaven.

Rev. 19:13 "and having been dressed in a robe dipped in blood – and His Name is called: The Word of **הָנָה!**."

Rev. 19:14 "And the armies in the heaven, dressed in fine linen, white and clean, followed Him on white horses."

The Priesthood has to be dressed in "Fine linen, white and clean" to serve. Purity is required not a mixture.

Look into the Religious Systems we live with and see what is offered.

"Great Praise and worship", "Manipulative music", "Signs and wonders, suspect miracles, Prosperity teachings, False Anointing, Attractive False Teachings and a "social/feeling of belonging life"..... We learn from Man and end up "All mixed up".

Hos. 7:8 "Ephraim mixed himself among the peoples. Ephraim is a cake not turned." (*failed to turn about*)

We merely go from one false teaching to another and end up creating another "form" of Religion for ourselves. Have we truly "come out of her my people" into the Pure relationship requested or are we simply following another set of "teachers" in another form of Religion.

We need to come out of all the "mixed up" Teachings that are foisted on us wherever we go.

We wanted a Picture to depict this issue of "Mixed Worship", but nothing came. Is it perhaps because we each have our own Personal "Pet Preferences" carried over from the Religious World out there that have become our own "Sacred Cows" because we possibly want to identify with some "Group Religious thinking" that we favour and want to be associated with.

Do we **want** to follow the "Torah of Moses" and slaughter a Lamb at Passover or do we accept Messiah as our Passover and fulfill the Feast according to the New and Living Way in Messiah ?.

Do we dress up in the way Religious Leaders have interpreted scripture for us. Do we dress as Levitical Priests or is there a dress code for the Priesthood in the Order of Melchisidek ?

Do we confess the Names and Titles that are "Popular" and accepted by most or do we search for Truth and only profess what we have found by diligently searching and being led by the Ruach HaKhodesh.

For those of us that want to experience a closer personal relationship with YHWH through Messiah YaHUsa, each one of us needs to examine ourselves and see if we are following the Pied Piper of popular Religion or whether we are walking in True Worship.

We need to be Clothed with Messiah if we are to have discernment and avoid all these Religious 'traps' of Man who come as wolves in sheeps clothing.

We need to apply the Literal Physical "Torah of Moses" to our lives in the spiritual battle against the Principalities, Powers of this dark world that is presently under the Dominion of the Enemy (Eph 6:12) as we live out Torah in Righteousness - In Messiah.

Deut. 22:11 "Do not put on a garment of different kinds, of wool and linen together."

Next the "How to".

Response

A friend sent this Testimony which shows how "Man's" Interpretations and Doctrine's divide the Body.

I know that early on in his Walk he went to a Messianic Shul where they promptly put a "Kippa" on his head and his testimony is that he felt really "Good" and "cool" but has since seen the message he was conveying. 1 Corinthians 11.

Testimony

A couple of years ago a woman called me saying she and her family were Messianic believers. They had arrived from the Transvaal and were now living in George and someone had given them my name.

As I was leaving on a business trip the next day I agreed for us to meet. In her house she showed me photos of the Transvaal group, all the men had long beards, wore kippurs on their heads and had on some form of long robe. I decided not to comment and we parted on a friendly basis arranging to meet on my return.

However, the next day I received an SMS from her and as I was on a difficult stretch of road I redialed her number. She said that I was not qualified to mention the heavenly Father's Name or that of His Son, the Messiah, as I did not have a beard.

I was shocked and said that I had not condemned her for having on a man's clothing as she had on the day before. Also I wanted to know whether she shared the same couch and bed with her husband during her menstrual cycle. This ended the communication - tragically!

I believe Satan has a very wide and varied menu to cater for all tastes. The nearer to the narrow gate the more subtle his tactics.

My question is - was Shaul raised up as an apostle to the Gentiles? If his teachings and advice are to be scorned then we may as well throw away the New Covenant Scriptures. There is a stern warning concerning this attitude in 2 Peter 3: 16 - "they that are unlearned and unstable wrest as they do the other scriptures, unto their own destruction."

In groups today there are men with beards, wearing tzit-tzit but when praying the women folk do not have their heads covered. 1 Corinthians 11.

What a start to this chapter, "Be ye follows of me even as I also am of the Messiah."

Concerning my eligibility to be a humble servant and sower of seeds, without a beard, our Father has been gracious in allowing me to see the fruit of this humble work by me being allowed to be a part of in excess of 30 people and families who have entered the waters and come up clothed with Messiah.

May our light and salt be enough to draw those hearing His call to come out of her and be renewed in His Name.

Sadly man always seeks after material things, something to see and touch. Consider the golden calf after the myriads of miracles performed in the Exodus.

We should be born of the Spirit of Truth and be delivered from material desires and trappings. I realise there are very sincere believers who have been lured into seeking "Jewish" trappings. We at some stage were all deceived, however sincere we may have been. This sincerity did not make it right.

Salt and light are what we should portray to the world.

We do not put a "Cerebos Salt" label around our neck and stick a "lamp" on our heads.

That would certainly draw attention!

Author's Note

The Head-covering response is not necessarily the view of the article but does show how these Physical attachments influence Relationships.

A Response to a response

I want to thank you so for forwarding this - something I've been pondering the last little while is the fact that most Messianic believers who I have had discussions with as to what is required of us, how we must live, dress etc., have always said something along these lines i.e. if Yahusha did it then I'll do it as He is my example. At first I didn't know how to "counter" that but in my spirit I knew there had to be a "counter." And with your opening our boxes and making us think further than the surface has helped me find my response.

Yahusha had not paid the price as yet on the stake, so of course He had to live and do according to Mosheh as He was the living Torah! He HAD to fulfil everything in Torah to be "qualified" to become our Passover lamb and our atonement.

Thank you for helping me onto the path of this Truth - so much has begun falling into place and I am so grateful how the Ruach protected and guided us even when we didn't know or realize it! Yahuah is truly awesome.

My only concern is this ... when Truth begins to come into our lives and we begin to change the how, the where and the when in our worship of Yahuah we have NO examples to follow other than Judaism and like the previous response to "Teacahing 5" pointed out, not everything in Judaism is "kosher" or Scriptural!! We need someone to guide each step so that we can walk Truth.

So we look forward to when we begin to deal with The Appointed Times of Yahuah.

I look forward to more and more Truth.
