

## THE GREAT DECEPTION OF 2 THESS. 2

Before we can look for YaHUsHa to return, the Great Falling Away is happening first, it is acutally happening right now. S-tan is hi-jacking the MelekTzadek Truth (*the New Testament*). YaHUsHa's Kingdom is NO LONGER from earthly Jerusalem. His Kingdom is in the Heavenly YaHrushalayim.

The Kingdom of Heaven is a Spiritual Kingdom (*NOT a Physical Kingdom of "Flesh and Blood"*) which can not inherit this Earthly Kingdom which Judaism is violently pursuing.

The spirit of Anti-Messiah is using YHVH's original plan for Physical Israel to bring about his New World Order with its headquarters in Jerusalem.

All the Earth and everything in it is YHVH's. The Land between the Euphrates and the Nile was promised and already given (*Gen. 15:18, 1 Kon. 4:21*) to a people "chosen" to evangelise the World as a place to be free and secure in bringing about that purpose, but S-tan always thwarts everything by getting at the people. Only YaHUsHa succeeded to fulfil the mission which they could not do.

We must not fall for the Greatest Deception to End this Age, as the next Age will be Eternal Life.

Zionism's ultimate goal is to fulfil S-tan's plan of being Worshipped on the sides of the North (*Is. 14:12 – 14*). It is the Land they want ... from which to control Anti-Messiah's One World System and as the Whole World follows the Beast...!

S-tan deceives people to do Zionism's bidding. No-one can stand on a popular platform against this final total onslaught as S-tan is about to finalise his plan and offer the World his solutions to their problems (*which his system of Governments has actually created*).

Create the Problem... people then react .... and S-tan provides the Solution. Who can make war with the Beast and his Image .... and his False Prophet (*Religious*) System?

But then ... Dan. 2:34 – 35, 44 - 45, Rev. 19!
