

REVELATION 12

The Conflict of the Ages

The book of Revelation is the Revelation which YaHUsHa gave to John. It is important to see Rev. 12 in context with the rest of Revelation and Daniel.

Rev. 12 is the "Conflict of the Ages" between the Kingdoms of Light and Darkness through to the end, the Age to come, Eternal Life in other words. Revelation given 96 CE is our future, with Daniel opened up.

The conflict is being played out through the "Seed" who keep Rev. 12:17 and Rev. 14:12 and although the conflict was won at the Stake, the generations cycling through time are the souls that have to make the choice to enter the Kingdom of Heaven or by default have to wait for the White Throne Judgment.

Rev 12:17 And the dragon was enraged with the woman, and went to make war with the remnant of her seed, **which keep the commandments of Elohim, and have the testimony of YaHUsHa Messiah.**

Rev 14:12 Here is the patience of the saints: here *are* they **that keep the commandments of Elohim, and the faith of YaHUsHa.**

The prophetic plan is laid out in those two books and as the World moves through time, things become clearer.

So the point is: "recognise the time of the unfolding prophetic visitation."

Each Spiritual milestone is played out in/through the Physical...

- Noah and the Antediluvian World,
- Abraham and Babylon,
- Moses, Aahron and Pharaoh's World,
- Messiah's Impalement and the Roman Political and Counterfeit Religious World and
- In our day the East/West Divide of the Political/Religious World.

Revelation speaks of them as ...

1. The Beast or Image to the Beast (Politics of the world) and
2. The False Prophet (Religions of the world)

And then there is us, outside of both but surrounded like islands in a sea of S-tan's Dominion which most are caught up in.

As it was in the days of Noah people are living while the clock ticks ever closer to 12.

Dan. 2 tells us the fate of Man's attempt to rule himself ... note the two separate feet and each foot made up of pieces of iron separated by clay. We see this today in the Geo-Political World.

On either side the Religions (*False Prophet*) have been "Activated and weaponised" to control the masses of either side.

- In the East, Orthodox Christianity (*which is controlled out of Moscow through the KGB and Communist Party as a "State Religion" with all the regional Patriarchate's subordinate to it*) rules together with Islam and Atheistic China.
- In the West, the Roman Catholic Church and the "Protesting Catholics" labeled "Protestants" together with Talmudism/Zionism are in relationship with Government, Banking and Big Business.

These two entities are in a life and death struggle, for in S-tan's Hegelian plans, there is supposed to be one winner and a New World Order, a One World System, for the Anti-Messiah to run this World from Jerusalem, but Daniel says: "In the time of these Kings ...".

So we need to understand, we are the Yisre'EL of Elohim and we need to overcome the World (*the spiritual deceptions of Rev. 2 - 3 as we go through the Temple Rev. 1:12, 5:8, 6:9, 8:3, 9:13, 11:19, 12:17 and 14:12 then 15:5 - 8 and eventually Rev. 21:22*) to be able to enter into the city of Rev. 21 - 22.

Daniel was shown the end and the coming Kingdom and its King, but like us, he wanted to know about what was "going down" in his day.

Daniel was shown the end and the coming Kingdom and its King, but like us, he wanted to know about what was "going down" in his day.

It is a repeat of Exodus ... And may we get it right this time, direct to the Spiritual Promised Land, and not follow Judaism to find "the ship sailed without us" while we were looking in the opposite direction to see S-tan's counterfeit unfold in Jerusalem and the "Beautiful Land".

In the book of Revelation there are famine's, Wars, earthquakes, Volcanoes, meteorite with the Sun blackened and the Moon turns Blood red as the atmosphere fills with Volcanic ash and dust with the sky rolling up like a scroll and every mountain and island removed from its place.

YHVH uses his own creation to bring this about.

We all know about "the best laid plans of mice and men", but how will YHVH bring it about?

This "Conflict of the Ages" between the two Kingdoms is so diverse and muddled up that it is today hard to know who is who as people have been influenced by so many different views and issues.

It really doesn't matter for us whether we are here or not, as it is just a matter of time now.

In reality we should be going about our normal daily lives while looking UP and fulfilling the parable of the good servants doing the work of their Master who went on a journey and is coming back shortly.
