

COUNTERFEIT DECEPTION

An interesting aspect of the days we are living through is the "sameness" between movements like the Macabees/Edom/Esau takeover of Jerusalem before Messiah and the Zionism of today concerning Jerusalem, "The Land" and the "People" intent on restoring "Jewish" Sovereignty and the "Jewish" Religion with the Temple, Animal Sacrifices.

Zionism/Judaism together have Global aspirations of bringing the "Nations" under their control through the Theology of Messianic Judaism's focus on Physical Israel (being Christian nations and peoples) alignment with todays "Jews" and the "State of Israel" . This is happening through elevating the Physical "Torah of Moses" as opposed to the Spiritual MelekTzadek "Torah of Messiah".

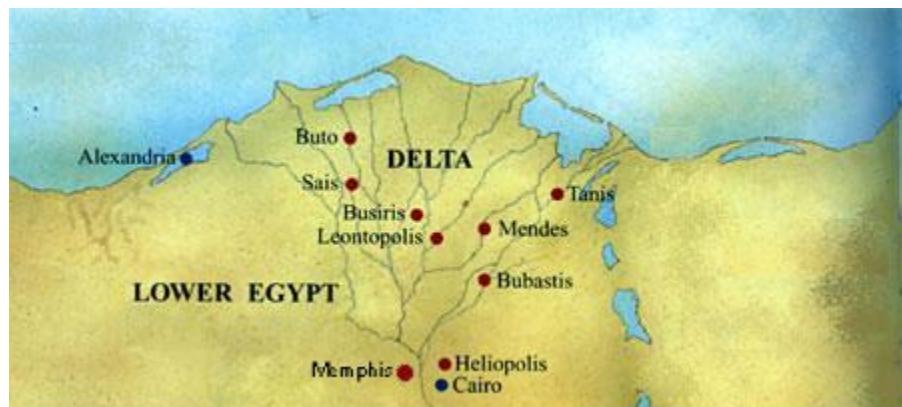

Now if we trace history back.

The Southern Kingdom remaining in Babylon after Ezra/Nehemiah return to Jerusalem became the Pharisees of Messiah's time (with Rabbinical Oral Law becoming the Mishnah and Talmud later) and Jonathan Maccabee of the Tribe of Judah replaced YHWH's High Priestly Levitical lineage in 153 BCE.

This is where the Levitical Order instituted by YHWH was replaced in 153 BCE by Judah through the Maccabean Revolt and the ensuing Hasmonean Kingdom/Dynasty began to control the Religious and Political life in Jerusalem and YHWH's Temple. And then people want to celebrate this event of removing YHWH's ordained Priesthood which over time led to Edom/Esau gaining control in Jerusalem - called the Feast of Hannukah.

Around 37 BCE Herod the Edomite became King. He, for Political reasons, then brought about another change in the Priesthood ending the Hasmonean Dynasty and had the House of Boethus installed instead. This is where Boethus came/returned from.

And Here is where the Priesthood becomes interesting as these people

- <http://www.biblesearchers.com/yahshua/davidian/dynasty3.shtml>

Claim that Boethus was a descendant of Zadok.

and thus with this view, by the time of Messiah YaHUsa, the Zadok line was in the High Priest role/position while Edomite/Esau Herod was King controlling the Complete Religio-Political System.

Caiaphas was a direct descendant of this line which would mean he was not an "impostor" but was truly under the authority of Torah when he rent the High Priestly Robe to end the Ex 34.27 Imposed Order.

The Hasmonean Kingdom became the Herodian (Edomite/Esau) Kingdom of Judea with Herod as King and the Boethus line in the High Priest position.

And Edom is Esau

The Hebrew word Edom means "red", and is derived from the name of its original founder, whose name was Esau, the elder son of the Hebrew patriarch Isaac, because he was born "red all over". Later, as a young adult, he ate "red pottage". The Tanakh and the New Testament both describe the Edomites as descendants of Esau.

- <http://www.timemaps.com/blog/0/1/herod-the-great>

Did Esau usurp control of Jerusalem and Judea with Herod of Edom/Esau as King of the Jews in the City of the great king?

Herod died 4 BCE, around the time the true Messiah of Israel was born and when Messiah died Caiaphas ended the Levitical Priesthood by tearing the Levitical High Priest Robe of authority and the Temple curtain was rent in two symbolising the end of that system and the introduction of the restored MelekTzadek Order.

Then 70 CE YHWH allowed Titus to destroy the Temple and 135 CE Hadrian exiled the Priesthood From Jerusalem.

This all happened while John the Baptist and other Levite's sought refuge at Qumran. We understand that he was the Legitimate High Priest of YHWH's imposed Ex. 34:27 Order transferring the Priesthood at YaHusha's Baptism.

Whoever Herod chose is a "Political" appointment in the Temple Priesthood was not exactly YHWH's High Priest lineage as neither John the Baptist or his Father were High Priest at the time - yet YHWH used them to fulfill his MelekTzadek restoration plans.

Very Interesting.

Now fast forward a few thousand years and see a "Secular-Religious System" that today has a Global reach and influence. Aside from the blatant Aspirations of Secular Zionism, The Religious Symbolism at play today is to say the least interesting.

Concerning Rebellion – Deut. 31:27 "For I know thy rebellion and thy stiff neck ye have been rebellious against YHWH and how much more after my death."

At the Tower of Babel, the S-tan moved from language to Symbols and it is everywhere in the Symbolism and teachings of the people claiming they are the "Gatekeepers" of "Torah" yet actually live by Talmud and are actively working towards establishing the Anti-Messiah System described in the MelekTzadek Scriptures that leads the World to follow the Beast and give their Worship to S-tan. Here are a few examples and the principle explained.

If one looks at the last picture of the man with the Tallit (1st Reference) think of how many Messianic/Heb Rooters start down this road and end up pushing the Agenda of Zionism and Talmudic Judaism - the modern day Pharisees.

29th November 1947, once again, a people calling themselves "Jews", but according to Scripture are not, having revived this Maccabean/Edomite/Esau agenda achieve another milestone to obtain control of the City of the Great King when the World divides YHWH's Land with UN Resolution 181 "Partition of Palestine Plan" (Joel 3) to give those who call themselves "Jews" today, a homeland.

And here, like the Star of Remphan Symbol, is another biggie

(Interesting statements in the beginning of this article "have you noticed the strong moves to merge Christianity into Judaism" and A deceptive view that "this symbol is the most Christian symbol a believer can wear".)

This time Under the guise of "Zionism" incorporating Judaism, but with "Greater Israel" Land aspirations and Global networking with Hasbara indoctrination, using the same Symbolic Hannukah Candelabra that Pharisaic Judaism created to memorialize the Maccabee removal of YHWH's Levitical Priesthood, this people on 14th May 1948 gained the initial foothold toward control of the "Holy Land".

After the Balfour declaration "Payback" to the Rothschild Dynasty up to the 1940's, Great Britain stopped supporting Zionism, foreseeing the problems this would lead to, the Zionist leaders then switched their pressure for control of Palestine, to the USA.

Notice the subtle "twist" of words and meanings in the document below. This letter is President Truman's acceptance of the Unilateral creation of the Zionist "State of Israel" on behalf of USA.

This Government has been informed that a Jewish state has been proclaimed in Palestine, and recognition has been requested by the ^{provisional} Government thereof.

The United States recognizes the provisional government as the de facto authority of the new ~~Jewish~~ ^{State of} ~~state~~ Israel.

This picture and caption below is the official record of those days. It was a continuation of the "Thank you" for recognizing the Zionist State of "Israel". This meeting was 8th May 1951 on President Truman's birthday.

President Truman meeting on May 8, 1951 with Prime Minister David Ben Gurion of Israel and Abba Eban. They presented the menorah as a token of esteem for President Truman's timely recognition of the State of Israel on May 14, 1948.

About the Collection

This collection focuses on the recognition of the State of Israel. The collection includes 87 documents totaling 351 pages covering the years 1943 through 1974. Supporting materials include photographs, oral history transcripts, audio clips and a chronology of events.

Notice The "twist" of the wording "new Jewish State" to "State of Israel" in USA acknowledgment and calling the Hanukah symbolism of the Maccabean revolt and that Symbolic memory being carried over as the "menorah" of the state of "Israel" as opposed to the copy of the 7 - branched one in Scripture.

See how words are even twisted by Academics

- <http://www.biblicalarchaeology.org/daily/biblical-sites-places/temple-at--jerusalem/understanding-the-jewish-menorah/>

When discussing the "Menorah" of Scripture is it really a "Jewish" Menorah or a copy of a Heavenly reality also revealed in the MelekTzadek Book of Revelation?

The Hebrew word means "Lampstand" as in Exodus 25 - now think of Revelation of YaHUsa Chapter 1 and other associated scriptures for application.

It is interesting that Rabbinical Judaism refuse to Pronounce the Name above all names as Scripture requires and do not allow copies of the Scriptural version of the "Menorah" but Judaica shops stock cases of the Maccabee/Hasmonean version. Why?. What is the message? Who do they represent? What are they celebrating at their Festival of Hannukah?

Now isn't that all an interesting counterfeit same same! ... all the way through Scripture. But now Global in vision, centered in and out of Jerusalem. The end result of all this is support for the Anti-Messiah and his Kingdom of Darkness.

Put it all together and see where "Torah" as in Physical "Torah of Moses" and "Jewish" and Messianic/Jewish Roots "Theology" is taking people.
