

# TWO KINGDOMS

There are two kingdoms in the world that we live in.

S-tan has a Kingdom and Messiah YaHUsha has a Kingdom. When we are Born again, we will be able to see Spiritually and then choose to enter the Kingdom of Heaven.

The Enemy of our Souls operates under much Deception, but people struggle to see themselves as deceived.

Sin is "lekker" and the Carnal flesh nature falls for it. As the church defines it: "no Drinking, Dancing or Shopping on Sundays " - but for some people there are no limits.

If one is free to go beserk and turn it into a Religion ... then many will follow.

The options are spelled out all through Scripture, but the World has reached a point where they reject the Hypocritical Institutional Church/Christians and therefore also the Handbook/Path of Life Textbook, so they just default to S-tan's Kingdom and Principles.

All the way through, Man has been tempted but today there is hardly a choice. After the Flood, through Nimrod all the way through, the Torah/Tanach even to Paul reprimanding "Believers" to behave themselves as followers of the Kingdom of Light principles.

Again, the whole world **follows the Beast** as predicted in Prophecy.

It is S-tan's Plan for Global Domination through the Financial System. Economics trumps Politics as we see Politicians are bribed and controlled by Money Power.

And People, both ordinary "Jews" and others, are kept ignorant of the Plans being carried out.

At the Top of the Anglo-Zionist Pyramid is a small Shadow Elite of less than 1%. "Jews" and Christians together are at the top in competition and working together. Rothschild and Royalty - Banking and Buckingham Inc.

## BIGGER PICTURE

People have absolutely no idea of the mirage they are living in on Planet Earth under the Principalities and Powers of S-tan and his Kingdom.

Nothing as it has been presented to us is true. When one comprehends this, we say "what is up is down" or "what is Black is presented and accepted as White" and Evil is presented as Good as achieved in the open.

We understood the life of Courts of Kings where Money and Power reign, but here it is in "[Religion](#)", with more than 1 million people in one group following this major Deception and S-tan has a Smorgasbord on offer. Whatever takes your fancy, he has it so go for it and that is why the Western

World is mainly in the Religion of "Humanism" as Paul explained people in the end of days.

That is why Louis Carroll wrote "Alice in Wonderland" and they made the movie "The Wizard of Oz". The saying "How deep does the Rabbit hole go" or taking the "Red Pill" from the Matrix DVD Trilogy.

Without the specifics and detail, they are telling people the Truth/Reality about the "Mirage/Matrix" we live in which we are born into and accept as Reality and Truth, whereas it is the opposite.

This is a "Prison Planet" where the [Conflict of the Ages](#) is being played out between the two Kingdoms, but S-tan presently **has control of the Physical dimension** we are now living in - whereas no-one realises that **the only True reality** is the **Spiritual Dimension** that drives the Physical but with the Eternal Consequences.

That is why most are in the "World" or playing Religion, Philosophy or Ideology - or are simply oblivious and try to survive or to end up with the most money, toys and possessions which of course is all left behind with their last breath. So like Solomon said in the end .... It is all Vanity but the whole duty of Man is to keep the Commandments like in **Revelation** and **YaHUsHa's Testimony** (N.T.).

Once one sees this, one looks at everything with new eyes. Who have watched "The Matrix"? It is best to watch it and have what they are presenting interpreted to understand what they are trying to get across. There are also films like 1984, Brave New World, Animal Farm which are now old but have come true in our day as we come to the end as a 1666 author says - the Elite want a Global "Socialist State" with "Debt Slaves/Serfs" - but S-TAN is the real Wizard behind the curtain pulling all their strings to bring about his Kingdom - but the Battle for us has already been won at the Stake 2 000 years ago. All we have to do is do what the Melektzadek Scriptures (N.T.) tell us.

Biggest Big picture. Why does it all go on and on so long with all the pain, suffering, disease, destruction, violence, abusing of people, living things and the environment on planet Earth?

"Soort soek soort" is a good saying and whichever Kingdom one is aligned to will determine how information is received and who we will side with and defend. So the tie up between all the S-tanic threads leading to the final Anti-Messiah Kingdom simply makes sense but the web of intrigue is so vast and laid down over a very long time and it is all hatched and done in the dark so that we only see fragments here and there as people are prepared to pay the cost of taking info public.

Remember the "Seraph" on the pole that Moses had to lift up in the Wilderness. All they had to do was look and Live. (See: [NEHUSHTAN](#))

Then we come to the calendar. Even in Science, which is supposed to be based on fact, we do not have the Truth, even though at the time we think we have and defend it. That is how it is with the Calendar also.

First we have the World's Religious Papal Gregorian Calendar which the "church" is happy with, then we are led to Torah and follow the "Jewish" Calendar, then we find it is Hillel's Calculated Calendar and he said we must start "observing" again when we are able to do as we do today (like the Karaite's), but the Talmudists won't acknowledge the Karaite's and then we find they picked up their Calendar in Babylon (even naming months like Tammuz) and it is not even Torah - let alone Levitical Torah and then we find the Dead sea scrolls and we learn about the [Hi-jacked Priesthood](#) with the True Priesthood before Messiah

fleeing to Qumran and then we wonder about a [MelekTzadek Calendar](#) ... And so we go and grow as we follow the Cloud when we read a scripture like Lamentations 2:6 about Sabbaths and Feast days.

Point is .... In science there is a saying .... The speed of light is 299 792 km/sec ... "I think". In other words it is present knowledge until more is revealed. That is why Scripture is **timeless** and over time we peel away the layers for greater understanding when we are ready.

About the 10 toes of the Image of Daniel...

In the past they interpreted it as 10 EU nations with the Papacy and the Anti-Messiah end time Beast and False Prophet.

As The World progresses toward the One World system we go from City States - the Oligarchs in Russia still operate in this Feudal System but the more developed World like Europe, Asia, NAFTA, Ecowas, Sadec etc are moves by the Elite to first Regionalise the World and some say they have 10 Regions in the present East/West divide.

This corresponds to the Clay and Iron as the nation states are strong (*until they are destabilised by the NWO Colour Revolutions/Arab Spring/Asian Awakening/Divide and Control everywhere, as within their Regional relationships they are weak as one Nation State is played against another, or Groups within Nation States*).

Overall if they have 10 Regions (toes) in two separate East and West (feet) which are not universally strong like the Roman East/West legs (Iron) but are weak (clay) in their relationships to each other, then that is where we are in time, but as I said, it is at this time that the Kingdom of Elohim comes.

We are still at the "very rough around the edges" stage of understanding how the "Jews" fit in the whole picture.

There are the problems stemming from Rothschild Money Control of the Planet who were "Jewish" and the Talmud he followed which is evil in places, but ... there is a group that have faithfully brought Torah/Tanach up to our day.

So "Jewish" identity makes them act like a "Tribe" worldwide and where the Zionists up to today hi-jacked the "Jews" saying they speak for World Jewry and after making a Religion of the Holocaust to get UN Resolution 181 "[Partition of Palestine Plan](#)", that gets some "Jews" very upset, as through the Zionist "Jewish" State they act and speak in the name of all "Jews" controlling and threatening Nations and Governments to fulfill their agenda.

The Rothschild Family have morphed into the "Elite" today and are not only just "Jews" anymore but probably morphed out of the original Mayer Amschel Rothschild's Talmudic beliefs, possibly through Kabbalah and Zohar, as the Gateway, to more classic "S-tanists" considering Bohemian Grove, Illuminati, Masonry and other "Secret Societies" that are used to "Initiate" and compromise people into being the Stooges and Puppets on the World stage doing the Work for the Elite Establishing S-tan's Anti-Messiah Kingdom.

This may be why Liz Taylor, Sammy Davis Jnr, Madonna and others "converted" to become part of this whole ritual thing being played out at Sport Finals, Olympic Games and National events.

But, Judaism like Christianity, has its "Interpretations", some being good and some being Evil and this makes up the Talmud.

Whether Japhethite Converts from Europe or Sephardic or "Black Jews", a time will come when Within "Judaism", the Religious "Jews", *(the Orthodox/Ultra Orthodox already know the Palestinians are Hebrews)* will recognise/accept MelekTzadek (*Melchizedek*) as Shiloh (Gen. 49:10) and then together we can all sort out the finer details.

Meantime we seek understanding in unfolding World events, how this is going to occur.

## MAGNITUDE OF THE FINAL DECEPTION

To understand the magnitude of the final end time deception...

Germans were spread from Eastern Europe in Poland, Ukraine, Hungary, Czechoslovakia etc. to the Atlantic coast 100 years ago.

After WW1, the Draconian Versailles Treaty carved Germany up taking away the wealthy areas but still forcing unpayable reparations to the victors. This led to the Weimar republic Zimbabwe type inflation and ultimate collapse. This led to the rise of the Nazi Party under Hitler.

In the same way, Zionism rose out of the programs and persecution of the Jewish people in the Ghettos of Europe to the point where it "represents or speaks for" Jewish people worldwide as pointed out by Rabbi Shapiro in a 12 min video from its Head Quarters in Jerusalem, like Nazism spoke for all Germans in the 1930's from Berlin.

This video with Prof Ilan Pappé (who left Israel because of threats to his life and the lives of his children) shows the original distinction between Zionism and Judaism *(although from Rabbi Wise leader of American Jews and most European Rabbi's 100 years ago who rejected the concept of a State of Israel and Zionism ..... to ..... today where mainstream Rabbi's support Zionist views and like the Germans of the 1930's, all Jews silently support the Zionist State of Israel because of the Propaganda and suppression of Truth by the Zionist controlled Media worldwide).*

- <https://vimeo.com/5976685>

The conclusion in the video is that at some point in time, all "Jews" worldwide are going to be blamed for the Zionist catastrophe in Palestine manipulation of World Governments and suppression of Truth with false Propaganda, just as Germans were blamed for Hitler's Nazism after WW2. This will lead to persecution of the "Jews" worldwide once again, like before, together with all their supporters like the Religious movements of Zionism - Christian Zionism, "[Hebrew Root](#)"/Messianic movements which are scripturally incorrect as we have shown and being used by S-tan to bring about the Anti-messiah Kingdom based in Jerusalem .... but the point is many of Messiah's sheep **are trapped there** as Joseph Herrin stated and will suffer with the "Jews" worldwide.

That is the view presented, but ..... will the Anti-messiah Kingdom have the power, strength and control to keep people in check like Hitler's Nazi Germany did in Europe, with Zionism control worldwide through

Jewish Sayanim and Ephraimite-Beit Yosef support and Media and Internet control of people? That suppression will be the Global Tribulation spoken of in Scripture for those who stand up against this endtime Beast and False Prophet. Can you see where "Leaders and teachers and followers" of these Zionist controlled entities stand in relation to us if you think of Europe from 1936 to 1945?

Then consider Dan. 2:44 .....

"And in the days of these kings shall the Elohim of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, *but* it shall break in pieces and consume all these kingdoms, and it shall stand for ever."

## **DATES AND SIGNS IN CONNECTION WITH THE KINGDOM OF HEAVEN**

Gen. 1:14 -18 is true, but ... the application is the issue.

ASV. Matt. 16:4 "An evil and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of Jonah. And he left them, and departed."

There is a massive focus on these "Dates" and "signs" all being applied to the "Jews" and the "State of Israel".

People are like lemmings caught up in the frenzy near the cliff edge and will keep on going no matter what.

They have created a "Package" of support for the "Jews" and the "State of Israel" and who will oppose any moves made in the Geo-Political/Religious Sphere with all this "Proof" that g-d is on their side fulfilling his prophecies through them.

As I mentioned before, 1917 and 1947 do not compute as Jubilee's, yet they choose 1917 to correspond with 1967.

In 1917 the British under Allenby took over Jerusalem (Are the Anglo's Gentiles?). In the same year British Balfour wrote a letter to Rothschild (an Ashkenazi European Zionist "Jew") as the "Balfour Declaration".

In 1947 Ben Gurion, after Chaim Weitzman and the American "Jewish" pressure (*Truman called the New York Jews the Head Quarter of the State of Israel and they affected who was President or not*) on the American President to accept a "State of Israel" unilaterally declared Independence, and this entity entered the World Stage as an independent force supported by Jews and Zionist Christians throughout the World, legislating their story of the "Holocaust" and Judaism's version of Eschatology, making discussion through the Hate speech/Anti-Semitic/Anti-Zionist legislation Illegal.

Their program of Ethnic cleansing and Land appropriation has violently continued since that time. The 1967 War was just part of it with parts of Jerusalem coming under their control.

No-one knows what year we are actually in. By co-incidence of certain events they "assume" all these things apply to the "Jews" and the Zionist "State of Israel".

9/11 in 2001 was a S-tanic false flag allowed to happen like Pearl Harbour so that America could destroy the Middle East and Eurasia according to the MacKinder/Brezinski/Wolfowitz Doctrine. It is the Opposite

of the "Israel of Elohim" (*Gal. 6:15 – 16*) plans of YHWH, but would consolidate the Anglo Zionist One World system run out of Jerusalem.

What has the American Stock-market got to do with the "Jews" and the "State of Israel"?!

Maybe quite a lot. A final collapse of the present System Enslaves everybody. The American and therefore the Global financial system (because of \$ Reserve Currency status) was set up to be destroyed by Greedy men (*2 Bankers have just been declared Billionaires, after they got Clinton to destroy the separation between Retail and Investment Banking which opened the Casino that should have collapsed the Global Financial System in 2008*), but instead Paulson got the American Government through its Taxpayers to back the Banks and indebt the Nation. That can was kicked down the road and after Trillions more Debt through the Global Central Bank Fiat Paper system, the World stands at the Precipice again.

Through Spain, Cyprus and now Greece, they have enslaved Europe as well. All these things are man-made events that have Global consequences. Man governing himself.

And so I always come back to Daniel 2. We are at the time of the 2 feet of Iron and Clay and "at the time of those Kings" the Kingdom comes, set up by the Elohim of Heaven that will never be destroyed or left to another people.

What we are seeing from these sites and all the "Heavies" jumping on the "Cool Groups" Bandwagon is the Opposite, it is S-tan setting up his Anti-Messiah Kingdom of Darkness and everyone is being programmed to accept it.

Are they going to take their Altar up to their "Temple Mount", Plant their "Corner Stone" and then start Animal sacrifices sometime soon and the World will accept it.

Are they ready to start some major War or conflict to further their Kingdom?

I always felt that when they start animal sacrifices again, it would be the last straw in **rejecting Messiah YaHUsHa** and **bring on** the final judgments of Revelation.

Acts 3:21 is the process we are in, while most are following the Rabbinical path with a "Form of Messiah" which with this rejection or Abomination will find they have followed "Another" Messiah/spirit/Gospel as Paul pointed out . . .

It is interesting how the Ruach has taken us back to "Torah" to check the foundation of our Faith BUT THE MISTAKE WAS in going to the Rabbis (**without Messiah YaHUsHa** that everyone follows) and thus we missed the "Torah/Instruction/Doctrine/Teaching **of Messiah**" in doing the "Torah of YHWH" in the Restored MelektZadek **Spiritual** Kingdom of Heaven and instead most are on the treadmill of "Torah of Moses" **Levitical path or Zionism** - the deception of "HAVING A HEART" for the "People and the Land"...

This great Endtime deception is so obvious if one stands back and thinks of what Scripture tells us what S-tan's plan is and how he is bringing it about and who he is using to give him the Place/ Infrastructure etc. to rule the world from "the earthly sides of **the North**" where this prepared Altar of the Temple Institute is destined to be functioning.

YHWH's **chosen spot** above **the Gihon spring** is **South of the World's Focus** (and therefore S-tan's focus on the 35 Acres where the Kotel is, is West). The Moslem graveyard is East ... the Temple Mount/Haram Al Sharif/Antonia Fortress/Jupiter's Temple/Al Aqsa/Dome of the Rock ... are all **North** (Is. 14:12 – 14).

We now know the Ashkenazi "Jews" are the descendants of Japheth (*Gen. 10: 2 – 3*) and are the main driving force to realising this demonic plan both Political and in the Religious sphere including the Russian Oligarchs, with everything being upside down and opposite to what we are led to believe in the Political Propaganda and the Religious "Teachings/Doctrines" and so the "Whole World follows the Beast" (*Rev. 13:3, 8*).

They want AIPAC/ADL only vetted people worldwide in positions of leadership and Power which is already the case in the US and other countries. A "Jew" or pro-Israel in all top leadership and decision making positions. It is already a fact in the Main Stream Media Propaganda machine and with Journalists.

We are in fascinatingly interesting times where so many threads are reaching a "climax" in World events as they converge and point to crises in many spheres and this "Abomination" is one to watch very closely, but not to be deceived into following the [False Deception](#).

The Rabbi's prophecy and interpretation would have to be checked out. They say "The Rabbi's Prophecy" then stated that in the tenth Jubilee Jerusalem would be controlled by Israel and then the Messianic endtimes would begin." The Rabbis of 1217 CE did not see the "State of Israel or Israel" as these guys interpret it and their idea on a Messianic Era was very different from what the Brit Chadashah (N.T.) or what the Book of Revelation teaches.

Their interpretation of the poetic language of *Is. 31:5* reminds me of Michael Rood's interpretation of Zechariah's "woman as wickedness in a lead basket" as Saddam Hussein's nuclear missiles justifying the Invasion of Iraq and those 1 335/2 300 days etc. have different interpretations, but **Daniel OPENS UP the Book of Revelation ...** But **they** don't go there.

Are the people that control Jerusalem and the State of Israel Gentile converts to the Religion of Judaism as the 96% Ashkenazi Europeans?

Are their "[Feasts of the Lord](#)" **for the "Jews"** and those that join them and support their Genocide and Control through the Anglo-Zionist Empire with aspirations to rule from Jerusalem and surrounding land OR ... **for the "Israel of Elohim"** (*Gal. 6:15 – 16*).

The judgment comes on the Whole Earth/World - its affects are Global. The Father YHWH always "Acts" on His Moed'I'm ... Let's see what happens.

## **END TIMES, YAHUSEPH AND GOSHEN**

In *Gen. 45* Physical "Jacob" did not believe initially but then "the spirit of their father Jacob revived" and Spiritual "Israel" said: "I'm convinced".

Scripture reveals that the Physical "House of Jacob" **back then** — is today Typified as the "**Remnant**" and being those **who through faith in YaHUsa** - is understood by the **true Prophets of Scripture** to be the (Scriptural) [Redeemed Israel](#).

YaHUsa Announces the Good News ...

Mark 1:14 – 15 "After John was put in prison, YaHUsa went into Galilee, proclaiming the good news of Elohim. The time has come," he said. "The kingdom of Elohim has come near (*or is at Hand*). Repent and believe the good news!"

The [Good News](#) is explained in the MelekTzadek Scriptures (N.T.).

Physical Israel **was**, and Spiritual Israel **will be** both **protected** from ...

**entering into slavery to Pharaoh**, the King of Egypt, Typified for us by the "Son of Perdition", the John 17:12 and 2 Thess. 2:3 Anti-messiah Person/System, first through YaHUseph – A **figure type** of Messiah YaHUsa who calls us out of the World and its System's **Spiritually** into the Kingdom of Elohim '**Spiritually**' – and YaHUseph who placed Jacob and the families **Physically** in a place of protection, and **saved/protected** the people through the great devastations and change that occurred **to the world order** at that time from dire famine and economic devastation (*consider where they were placed – Goshen – and our challenge – the "Mark of the Beast" ... and also how we will be kept from this "Hour of Trial"*).

Physical Israel **was** ...

eventually **Physically released** in the **Exodus** by YHWH, which is a Figure type of the coming conquering Messiah (the coming King) who **will set people free from S-tan's World order** in the second part of YHWH's redemptive drama ... from **slavery out of that World order Egypt** (*being a type of the Global World order that is against YHWH just like today*) and **ultimately YaHUsa** (Joshua) **brought about the Redemption as promised**, in taking Physical Israel into the Physical "Promised Land" **like we will be taken** to its **Spiritual** equivalent.

Where in this World can we be protected like this today?

Some Scriptures to think on....

- The Seventh Trumpet and the Mystery of Elohim is complete – Rev. 11:6 - 7,
- The last trump - 1 Cor. 15, 1 Thessalonians 4:16 - 17, Isaiah 24:1 to 27:12 – 13,
- The final trump at Armageddon – Rev. 16:16,

The Final Global War between Human Governments that culminate the Tribulation and bring Human Rulership to an end - Daniel 2:44, Heb. 11:16, 39.
